SKB
SAKURA BLOOM

Service Coin

The background of the central text area is a photograph of a crowd of people at a concert or festival. Many hands are raised in the air, and a bright light source, likely the sun, is visible in the center, creating a warm, golden glow. The image is framed by a light blue and white geometric pattern of triangles.

**What is a service coin
(cryptocurrency present)?**

**A coin that exhibits value through
use in everyday life.**

SKB *Action!* ↑

A composite image representing medical services. It includes a laptop keyboard in the top left, a tablet displaying a blue screen with a DNA helix, a human skeleton, and various charts, a clipboard with a "MEDICAL HISTORY" form, a stethoscope, and two syringes. The entire scene is set against a light gray background with a low-poly geometric pattern.

SKB VISION

Healthcare system paradigm shift

Source: Ministry of Health, Labour and Welfare, Health Care 2035

SUMMARY

Governance reform

Introduce a process based on a medium/long-term view

Shift from rules created by party concerned rather than rules by an administration

Break free from centralized structure

Advanced healthcare nation: Japan

Receive world-class health and medical care

Shift from quantity expansion to quality enhancement

Improve quality and efficiency

Fair & impartial

Everyone is eligible to receive medical services

Shift from focus on input to a focus on patient value

Efficiently use healthcare resources

Innovation environment

Establish platform

Establish and use information infrastructure

Healthcare network

Japan, the world's prosperity and coexistence

Medical care is the pillar of the nation's strength

Solidarity based on independence

Each individual takes initiative to fulfill their role

Shift from divergence to integration

Cooperation that shares common values and vision

Shift from a focus on cure to a focus on care

Maintain physical and mental health
