

Voltage Visual Romance Apps releases its reader app

# Love 365: Find Your Story

Available worldwide as of Monday, 11/13/2017

Voltage Inc. (Shibuya, Tokyo, President: Yuzi Tsutani) released its latest female-oriented English-language app, Love 365: Find Your Story, for iOS and Android on November 13<sup>th</sup>, 2017.

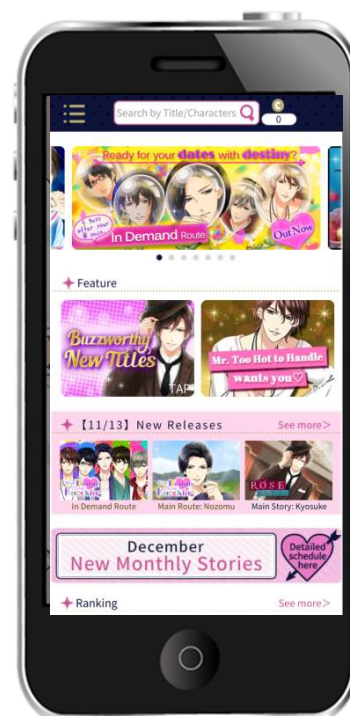

This convenient app is designed to be a portal that compiles all of Voltage's English-translated Japanese Visual Romance Apps' characters and stories into one easy-to-navigate reader app for our international audience. Not only can you pay for an entire story upfront like the former standalone apps, but now you can sign up for a monthly subscription service (\$8.99 USD), or even pay for individual episodes.

Two new titles will be available in the app at launch, *Rose in the Embers* (Japanese title: *Taisho Roman, Unmei no Hito*) and *When Destiny Comes Knocking* (Japanese title: *Konna Watashi no Motekina Nichijou*). Along with three formerly released titles, Love 365: Find Your Story will include five titles, 24 characters, and over a hundred stories. Certain stories will even be free to read at launch.

The English version of the standalone apps will continue to be ported into Love 365: Find Your Story in the months to follow.

Love 365: Find Your Story also includes a function that allows for all stories purchased in the standalone apps to be transferred to the reader app during the transfer period.

Voltage will continue to bring heart-pounding moments to people all over the world.

## ■ Rose in the Embers

### 【The Story】

The Taisho period, when hearts were not free to choose. You have been bought by the son of an earl, and are to work as a maid in his great house.

This nobleman you've met appears wanton and freewheeling, but you are drawn to the man he reveals himself to be. However, the strict divide of your social classes means this love can never be...

But your hearts cannot be denied, and the love you share will destroy the walls society has built between you two.

A dramatic and inspiring love story awaits you in *Rose in the Embers*...

### 【Discover the Thrill of This Fantasy Romance】

During the day, you two steal furtive glances at one another. When the sun sets, and the sky is a blanket of stars, you sneak away for a clandestine dance in the garden... He's only a hair's breadth away, close enough to kiss.

A Cinderella story for the ages!

Two endings await you. Discover the joys of hearts united in The Favored Bold Ending, or succumb to the chains that bind you to this bittersweet fate in Fortune's Fools Ending.

## ■ When Destiny Comes Knocking

### 【The Story】

After praying for some much-needed luck in the love department, five incredibly gorgeous men suddenly fall into your lap! Your love life's been barren for far too long... and it looks like monsoon season has arrived!

During the story, you'll have to "Bet on Love"! How will you handle this sudden upswing in popularity?! The choices you make will affect your "Ms. Right Points"! Do you have what it takes to be the girl of the moment?

### 【It's Raining Men!】

Five men have all asked you on a date! You've finally made a choice, but midway through your date, a new potential bachelor swoops in to steal you away! You've never been this in-demand, and your heart can't catch a break!

You may have chosen the one you want to romance, but you know what they say: When it rains, it pours...!

Will he profess his love to you in the Super Happy Ending, or will you woman up and confess to him in the Happy Ending? Your happily ever after is in your hands!
